# SAVOR THE FLAVOR

## *A Vermont Culinary Masterpiece*

### 4 Days – 3 Nights

The sample itinerary described below is like the one your group will follow during your tour. However, the exact sequence of days and daily activities may be different on your final itinerary.

- Day 1** - Depart from your hometown and travel to the beautiful Green Mountains of Vermont, and your home-away-from-home at a **lovely inn in the Killington Peak area**. Enjoy a **welcome reception** on arrival, followed by dinner at a local restaurant.
- Day 2** - After breakfast, depart with your local guide to tour **Neighborly Farm** – taste the cheese, and learn the process and varieties of organic cheese. Learn how Vermont maple syrup is made, and taste the different grades at **Morse Maple Sugar Farm**. Be part of a live studio audience, featuring a Vermont chef, at “**New England Cooks**” – an interactive cooking Talk Show. Lunch is on your own at the State Capitol Café or in downtown Montpelier. Cap the day with a **sample of Green Mountain Coffee**, where you’ll learn the process of growing and roasting coffee from tree to cup. Dinner is on your own this evening, followed by a restful night at the inn.
- Day 3** - Arise to breakfast at the inn, then join your guide for another fun day! See how the huggable bears are made as you **tour Vermont Teddy Bear Factory**. Experience a country inn **luncheon at Waybury Inn**, made famous by the Bob Newhart Show. Learn the brewing process from beginning to end at **Otter Creek Micro Brewery**, complete with tasting – or tour the **Vermont Soap Company**. Stop for photos at **Pulp Mill Double Covered Bridge**, then dine at a fine local restaurant.
- Day 4** - After breakfast, check out and depart for Weston, Vermont and the popular **Vermont Country Store**, where nostalgia reigns. After your visit, continue homeward – taking with you flavorful memories of this Culinary Masterpiece tour.
