HAPPY
25TH
BIRTHDAY
AMERICA

*Please take a moment to read this Special Message from
the Chairman of the Board and President of White Star Tours*

Dear Group Leaders and Friends...

What a wonderful year we are anticipating in 2026 as we celebrate our country's 250th Anniversary. It is exciting to celebrate our wonderful country and its many years of existence. We pray that we continue to be the most admired country in the world. This year in our **Group Tour Catalog** we have emphasized all the many **250th Anniversary Celebrations** being held throughout the United States. In addition, we hope you will take time to look over the many different types of trips created by our incredible staff, many of whom you have worked with for most of the 55 years of our existence.

We are really happy that so many of our **Group Leaders** continue to travel with us year after year, many times taking two and three trips a year. We have developed an incredible bond working with you. Please know how much we appreciate all that you do with us, not only in your business, but in your friendship as well. **I am sure you realize that all our Family and Staff are dedicated to our customers. You are the most important to us. Our mission is to do the very best we can for every single person, on every trip.**

So, please take the time to page through our brand new **2026 White Star Tours Group Catalog**. We are sure you will find many different opportunities for travel for your group, many of which you may have never thought of or tried. Also, sprinkled throughout the packages are a lot of new opportunities for travel that have been created by our staff, and we hope you will take a look at all of them. Finally, there are some wonderful opportunities for **Holiday Trips** that everyone takes at the end of the year, along with some incredible specials for those of you who like to **Cruise**.

We ask that you take a few minutes to read over these following important facts that continue to separate us from any of our competitors over these 55 years:

1- Our White Star Tours Family Cares! This is and always has been a core principle and one of the main reasons for our success. We have been told by thousands of Group Leaders that they don't know of another company that has the amount of dedication and sincere caring that they find with our family and staff.

2 - Our White Star Low Prices always have and still do beat the competition every time. This is a pledge that we made many years ago, and we continue to guarantee this as the years go by.

3 - White Star offers a special \$200 Rebate to Group Leaders. As a White Star Group Leader, you will receive this \$200 Rebate for all trips of two or more nights you take in 2026. This is our way of thanking you for the hard work that you put into it.

4 - White Star is Flexible. Yes, this is a critical thing for you to consider because we are one of the only Group Tour companies anywhere in the world that is so willing to customize your trip for your group's specific needs and desires. The wealth of knowledge we have acquired from the many years in the travel industry sets us apart from other tour companies and allows our experienced staff to work with you to deliver exactly what you want.

5 - Our very unique, entertaining, and enjoyable Group Leader Complimentary Luncheon & Learning Seminars. This is something that most of our Group Leaders look forward to every year. The Group Leader Luncheons are completely free of charge and are held in 25 different cities across the country, complete with a wonderful meal, great entertainment, and a lot of suggestions for travel and special pricing offerings. We hope to be able to see you there.

So, we ask you to start as early as possible to make your plans for 2026 by looking through this Group Tour Catalog and giving us a call at our office. Our experienced staff is excited and ready to plan your tours and send you promotional flyers or anything else you might need to begin the process.

Finally, and most importantly, we want to thank each and every one of you for your loyalty over these many years! We have you, in addition to our wonderful staff, to thank for working with us and being part of the White Star culture that is the most important thing we have.

Sincerely,
Chris Kharas, Chairman of the Board

We take great pride in this, and look forward to many more years working with you!**

Chris G. Kraras — Since 1970
Chairman of the Board

Over fifty-five years ago, Chris and his beloved father, Gus, proudly founded White Star Tours. As they are today, early trips, formed by Chris, offered quality group travel packages to a myriad of destinations at reasonable rates. Through the years, under Chris's tutelage and with the help of family and a dedicated staff, White Star Tours is recognized nationally as a highly respected organization.

Mauro Cammarano — Since 1973
Vice-Chairman of the Board

Mauro, husband of Chris's sister Angel, played an essential role in the company's growth from the beginning as vice-president. He has always been at Chris' side as the company progressed, and has continued to work as a loyal confidant to Chris. He currently manages the sales personnel, is involved in the company's advertising, and oversees many of the sea shore locations.

Dean Kraras — Since 1986
President

Dean, Chris and Ann's son, is actively involved in all key aspects of the White Star operations, including human resources, sales, marketing, and finance. After his college graduation in 1995 he became company president in 2016 and has gained the respect of the entire company. Dean specializes in tours that include Cape Cod, Niagara Falls, the Finger Lakes, Montreal/Quebec, Ottawa, The Castles of New York, and The Nordic.

Andrew Cammarano — Since 1992
Vice President

Andrew, son of Mauro and Angel, joined the White Star Tours sales team after his college graduation in 2003 and subsequently replaced his father as vice-president. Andrew deals with many bus companies for our groups as well as tours to the Black Hills and Yellowstone of SD, the Holland Tulip Festival, Baltimore and Annapolis, "Ride the Rails" WV, and Washington DC, and others.

The history of WHITE STAR TOURS

*...truly an American dream
come true!*

The White Star Team, 2025

As of 2026, our White Star Tour company will be celebrating our 55th year in business. There are not many companies of any type that can boast of such a long history of serving our wonderful customers in the United States and Canada. Over the years, we have faced many headwinds, like economic depressions, the tragedy of 9/11, and most recently the incredible challenge of the Corona Virus Pandemic, however, with the help of a wonderful family and staff, we have been able to persevere and flourish, making many friends along the way.

Once again, in answer to so many requests from so many of our loyal group leaders, we are presenting to you the proud history of our White Star Tour company:

the Kraras family...

The White Star Tours Company is rooted in the Kraras Family. Our father, Gus Kraras, was born and raised in Greece, and immigrated to the United States when he was 17 in an attempt to support his starving family in the mountains of Greece. Gus worked very hard at many jobs for his first few years in America. But, when the Japanese bombed Pearl Harbor in 1941, he felt the calling to serve his new country of the United States, and immediately enlisted into the US Army. He served proudly and courageously for four years, and actually became part of the first group of members of the OSS (Organization of Strategic Services) which was the forerunner of today's CIA. After being honorably discharged in 1945, he settled into the Reading, PA area, and in 1946 married Stella Dialectos, a first-generation Greek family acquaintance. In 1947 they welcomed their first-born son, Chris (who is the author of this history); in 1951 their daughter, Angel, was born; several years later, in 1962, the birth of their younger daughter, Patricia, completed the family unit.

the beginning of a dream...

Gus and Stella operated luncheonettes and small restaurants in the Reading area. In 1954 they traveled to Wildwood, NJ to build on their restaurant experience. During the summer months, they operated the Lorraine Restaurant in Wildwood, along with their young children, Chris and Angel. They purchased the Lorraine Hotel that was attached to the restaurant and began expanding their work in the hospitality industry. They realized that in order to extend the summer season and bring in a few more customers and income, they could welcome small groups of 5, 10 or 15 people during what became known as the "off season" of May and September. It was in 1970 that Chris, along with his Father, decided to bring a few bus loads of customers from their home area of Reading, PA to the Wildwood area for packages lasting two and three nights.

Ann Kraras

In 1972, the Kraras Family purchased the White Star Motel in Wildwood. Ann, Chris's wife, became its first manager and through the years continues to be Chris's biggest business and personal supporter. It was during this year that the name White Star Tours was born. They started bringing more and more groups into the Wildwood area and the White Star Tours Company was born. Simultaneously, Chris was a high school teacher in Birdsboro, PA, and juggled his teaching career with this growing travel business. The number of bus groups grew over the next few years as the company expanded by hosting groups not only from Reading, but from other areas of PA. Chris welcomed his brother-in-law, Mauro Cammarano, husband of his sister, Angel, to join him in this effort as the business extended into new areas.

expanding the base...

By 1980, White Star Tours was attracting groups from states like New York, New Jersey, Massachusetts, Delaware, Maryland and Virginia. Chris began developing trips to other popular seashore locations including Ocean City, MD, Myrtle Beach, SC, Virginia Beach, VA and Cape Cod, MA. With this rapid and continued growth, White Star Tours was outgrowing the spare bedroom in Chris's home that had served as its office. Mauro worked alongside of Chris on snack trays. As a result, the current and much larger White Star Headquarters was permanently established at 26 East Lancaster Avenue in Reading, PA.

As the company grew, wonderful co-workers were hired, most of whom are still working here today! As the staff grew, so did the business, and many additional tour destinations were added. Since 1985, White Star Tours continues to expand its geographical boundaries to include states like Ohio, Michigan, North Carolina and South Carolina. Chris was forced to retire from teaching, which he truly loved, in order to manage the business full time. Mauro, then followed Chris and left his teaching position as well to work full time. Shortly thereafter, Chris's sister, Pat, graduated from college and joined the company where she has remained as Chief Financial Officer.

a family affair...

From there, the story becomes more heartwarming as more family members and outstanding co-workers were hired. The original officers were Chris as President, Mauro as Vice President, Pat as Treasurer and Gus as Secretary. It wasn't too long after that Chris was able to welcome his son, Dean, the current President, into the fold, and soon thereafter his daughter, Marisa. A few years later, Mauro's son, Drew, current Vice-President, and his daughter, Stephanie were hired. To make the family story complete, Pat married Bernie Donahue, who also joined the White Star family ranks. Eventually their children, Bern and Stavanna, became part of the family business.

a long and wonderful ride with a slight change of leadership...

White Star continues to spread its wings by serving groups from virtually every state in the country and Provinces throughout Canada. The White Star Family continues to grow. I was very proud three years ago to appoint my son, Dean Kraras, as the President of our White Star Tours Company. I also appointed my nephew, Andrew Cammarano, as the Vice President and my sister, Pat Donahue, as our Treasurer. I am still very actively involved in the company, but I realize that we must be mindful to make sure that our legacy continues to grow and flourish going forward.

Sadly, we lost a few people along the way — my Mother passed away in 2011, and my Father, Gus, died in 2018. Very tragically this past November, my beloved wife, Ann, who was always so intricately involved in the business, passed away suddenly and unexpectedly from pancreatic cancer. All our family is still trying to adjust. But, we will persevere, as we always have, knowing that they are looking down on us from Heaven, guiding us in our efforts to make as many people as we can happy by enjoying their opportunity to see the World.

In completing this brief history of White Star Tours and the Kraras Family, I would like to express my sincere thanks to God for all His many blessings, and my heartfelt thanks to the literally millions of people who have traveled with our company over all these many years.

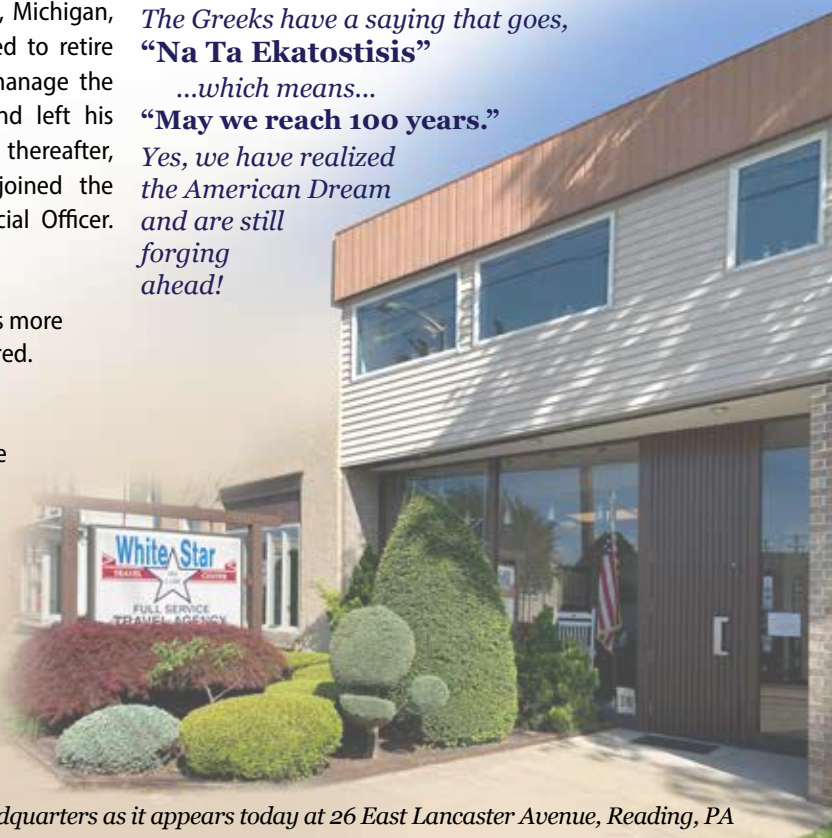

The Greeks have a saying that goes, "Na Ta Ekatostisis"

...which means...

"May we reach 100 years."

Yes, we have realized the American Dream and are still forging ahead!

★ Most Frequently Asked Questions

? You have so many wonderful tours, how do I choose? Take our booklet to your next meeting, and find which tours interest your group. Choose as many as the group would like for the year.

? What do I do if I need more information? Call us at 1-800-437-2323. A tour consultant will help answer your questions and send you more information on the tours you select. If you like working with a particular consultant, ask for him or her.

? Do tour prices include transportation? Because we serve groups from all over the United States and Canada, it is not possible to include the transportation costs in this book. It is your preference as to who will make the transportation arrangements. You can contact the bus company you use, or we can give you one complete price for the tour AND the transportation based on the number of people that will be traveling with you on your tour.

? How do I reserve a tour, and do I receive a contract? After a date is chosen for the tour, your tour consultant will send you a letter/contract confirming the details of your tour.

? What happens after my tour is reserved? After your tour is confirmed, the tour consultant in charge of the destination you chose makes all lodging, attraction and meal arrangements for you. Your consultant will work with you on your tour until its completion.

? When I reserve a bus tour, do I need to send a deposit? In most bus tours we ask that you send an initial deposit of \$200 one month after reserving your tour, followed by \$25 per person after you've received deposits from your group members. The balance is due 45 days before your tour. Payments are always refundable up to two months before your tour should you not get a sufficient response. We will be glad to work with you in meeting payment schedules.

? To whom do we send the payments? Make checks payable to: White Star Tours, and send them to: 26 E. Lancaster Avenue, Reading, PA 19607. We will send you receipts for all your payments.

? If a person has to cancel at the last minute, will they get a refund? We always work with you in refunding everything we can in the event of a cancellation. If cancellations for bus

tours occur within 30 days before the trip, there may be nonrefundable deposits involved. In case of cruises, airlines, and trains the appropriate penalties will apply. We strongly recommend that you inform your group members about our Travel Protection Plan for those last-minute medical emergencies. Information for insurance can be given to your group members upon request. This protection covers any unused portion of the tour. Some restrictions may apply.

? When do we receive our lodging information? About two months before your tour you will receive a letter with information on your lodging locations, including rooming list forms to complete with the names of everyone in your group. If you need this information earlier, we will work with you.

? Will our group members who have special needs be able to travel with us? We will be happy to work with you on this. Just let us know in advance of any special group needs, so we can answer your questions about the accessibility of motels and activities, and comply, wherever possible, with the ADA. Then indicate on your rooming list anyone who needs special accommodations or diet.

? Do you provide itineraries? We customize daily itineraries for all our tours and everyone in your group will receive a copy. These will be sent to you after we receive your rooming list. We will also send luggage tags and name tags for everyone, plus a special gift for all!

? What identification do we need when traveling out of the United States? A valid passport is needed for all out-of-USA travel.

? Do you provide help to the group leader in advertising and promoting the tour? YES! There are several ways we can help you. We customize flyers for you, describing your personalized tour. These can be distributed to interested members. You may also list your tour on our website – www.whitestartours.com

? Are there special incentives for the group leader? All our bus tours offer 2 Complimentary Trips per bus of **40 paying people**. Our fantastic cruises and air tours provide Complimentary Trips for as low as 9 paying people. With a little effort—and with WHITE STAR TOURS' help—you can travel the world for FREE!
